### Tasmanian Government **Media Release**

30 September 2022

Guy Barnett, Minister for State Development, Construction and Housing

### Housing Dashboard

The Tasmanian Government is delivering the most ambitious plan to address social and affordable housing and homelessness in the State's history.

The passing yesterday of the historic Homes Tasmanian Bill will lead to a more coordinated approach and allow us to build more homes faster.

Due to transition of Communities Tasmania, the Housing Dashboard normally published on the last Friday of each month, will be published on Monday 3 October 2022.

In the interim, key stakeholders have been provided with the Dashboard to ensure they receive the information in a timely way, and the latest dashboard is also available for media representatives via the Government Media Office.
